Movie Ticket Price Rise

VILLAGE, EVENT, GREATER UNION & BIRCH CARROLL COYLE movie ticket prices will rise as from 1 October 2015.

We have been advised by the Village group that our Discount Movie Tickets will rise in price from 1 October 2015, in line with a similar price increase at the cinema box office. This will affect tickets for Village, eVent, Greater Union and Birch Carroll & Coyle.

The expected increase will be approximately \$1 per ticket, across the entire range.

With cinema door prices now \$20 for adult admission, and even more at some sites, our Discount Cinema Tickets still represent excellent value.

We recommend that you get your orders for Village, eVent, GU and BCC tickets in as soon as possible to take best advantage of the current rates.

Our current order form, at pre-rise prices, is overleaf.
